FOR IMMEDIATE RELEASE

SRS PKon POS Receives SIGIS Certification for FSA/HRA Card Processing

Caro, MI (May 26, 2009) – SRS Pharmacy Systems today announced that its PKon POS software has received SIGIS (Special Interest Group for IAS Standards) certification. This certification allows pharmacies using SRS' POS product to comply with the July 1, 2009 IRS regulations for accepting FSA/HRA cards.

The IRS rule states, in part, that pharmacies wishing to continue processing FSA/HRA cards must either have a certified IAS POS solution or be registered as an exempt pharmacy if 90% or more of the store's gross receipts during the prior taxable year consisted of items which qualify as expenses for medical care including nonprescription medications.

As a result of the SIGIS certification, SRS POS customers will now be able to complete SIGIS' on-line TPS Client Merchant Form, greatly streamlining the pharmacy certification process and insuring their continued acceptance of FSA/HRA cards.

About PKon POS

Developed and supported by SRS, PKon POS offers direct integration with the following SRS software applications: PKonRx, Accounts Receivable, Electronic Signature Capture, Visa/MC Credit & Debit Card Processing, and Bin Management, resulting in an end-to-end solution for connecting front-end and pharmacy for independent pharmacies.

About SRS Pharmacy Systems

An integrated Pharmacy Management software and systems provider servicing customers throughout the United States, SRS develops solutions that encompass the needs of retail pharmacy. Key modules include e-prescribing, POS w/IIAS, electronic signature capture, HIPAA, IVR, internet refills, EDI inventory, Visa/MC/debit/credit card processing, MARs, A/R, and thermal/laser printing. Services include web security, off-site backup, EFT payroll, health insurance, facility insurance and retirement benefits. SRS internally develops, supports and services all hardware, systems and software, allowing pharmacies to focus on their primary business while SRS manages their IT functions. SRS customers have just one phone number to call for their pharmacy, business, and IT needs. One System, One Vendor, One Call.
